Mr. and Mrs. C. J. Denham arrived home from Augusta, Georgia, Sunday. Owing to the illness of Mr. Kline's little daughter, Leona, Mr. and Mrs. Denham returned a week earlier than they expected.

Little Harry Morgan, the eight-year-old son of Mr. and Mrs. Ed. Morgan, fell from a boat last Saturday striking his right arm against a piece of iron, sustaining a fracture in two places. This is the third time the little fellow has had a similar misfortune.

BOARD OF CONTROL.

Governor Broward has announced his appointments for the state board of control under the provisions of the Buckman law, as follows:

WHIST PARTY.

Mr. and Mrs. F. A. Morgan entertained a few of their friends most pleasantly at their beautiful home Wednesday evening. The leading feature was a progressive whist contest in which ten hands were played. After the game was concluded it was announced that Mr. C. H. Walton (as "Mandie") had won the ladies' prize, a handsome card receiver; Mr. Percy Walton won the gentlemen's prize, a beautiful champagne cork puller; Mrs. E. B. Wager won the consolation prize for ladies, a neat little cream pitcher; Mr. E. B. Wager won the gentlemen's consolation, a rubber dog. Mrs. Morgan was assisted in receiving by her sister, Mrs. P. G. Walton, and the affair so pleasing in all of its details, was informally given in honor of Dr. F. H. Houghton. The punch that only Fred Morgan, himself, knows how to compound, with sweets of several kinds were served, after which vocal and instrumental music was indulged in until close to the midnight hour.

DEFEATED BY A MERE TRIFLE.

The Titusville Baseball nine went to Jensen last week to cross bats with the crack nine of the east coast. The game was a close one, stood 1 to 0 in favor of Titusville till the eighth inning, then Jensen had three men on bases. Mosier knocked a home run, making 4 for Jensen, Titusville made 3 in her half of the eighth. This stood 4 to 4. Jensen, to the bat, made 1, making the score 5 to 4. Titusville was defeated by crowd of gentlemanly baseball boys, and Titusville cannot praise Jensen too highly for the kind treatment tendered them while there.

The batting for Jensen was good. Trice broke his finger in the fourth inning. Titusville batting is still all to the good with old Pinder on first base.

The lineup was as follows:
Titusville
Williams, p. Baker, 3 b.
McClinton, 3 b. Glass, 1 f.
Johnson, 1 f. Hendrix, 2 b.
Titus, c. Trice, c.
Alexander, 2 b. Mosier, 1 b.
Norwood, c. f. Racey, p.
Pellicier, a. s. Schultz, a. s.
White, r. f. Pitchford, r. f.
Rogers, 1 b. H. Mench, c. f.

Jensen, Fla., June 16th, 1905.

Editor of THE FLORIDA STAR.

Allow me to congratulate you and your town on having such a gentlemanly and good baseball team. They suffered defeat by a mere trifle. You can count on us as friends and anything your humble servant can do to advance the interests of an east coast league, and to encourage good, clean and gentlemanly ball playing will be done with pleasure. We are sorry we could not do more to make it pleasant for the boys.

Wishing them luck and with regards, I am very truly,
C. H. RACEY.
Pres. and Ch'mn. Acme B. B. Club.

The Cocoa News seems to be up a tree about the game that was played here last week. (The News man was not there.) I think some one ought to have been there that would confine themselves to the truth.

Titusville did not quit the game until she won her game fair, and our umpire acted impartial in all decisions.

Now, if the Cocoa News thinks the Invincibles quailed before the Cocoa Terrors, let them cover my \$100 or I will make it \$150. The money is ready.

MR. GIBBONS' RESIGNATION.

Rev. Howard B. Gibbons, of DeLand, preached in the Baptist church Sunday morning. In the evening the service was transferred to the Methodist church on account of a mishap to the transformer, which prevented the electric lights being turned on at the Baptist church. The morning service was not so largely attended, but in the evening it was phenomenal for this season of the year—the Baptist church would hardly have held the congregation. Mr. Gibbons preached two excellent sermons, especially able was that in the morning, to which he had given his best efforts, after the morning sermon he announced that he had been recently appointed to take charge of Chandon Hall, at Stetson university, which will require his entire time at that institution and giving up his ministerial charges, this necessitates his resignation here to take effect October 1st.

While everyone congratulates Mr. Gibbons on his appointment, which really places him in charge of almost the entire moral status of Stetson University, it is with sincere regrets of all of us that he leaves this field, where he has labored so diligently and arduously the past year, and has made such a grand showing in the church work.

We feel that the church will be fortunate, indeed, if they can secure a man who will as successfully continue the good work he has built up. Mr. and Mrs. Gibbons arrived last Saturday afternoon, this being Mrs. Gibbons' first visit to Titusville since she went to DeLand last fall, and she will spend about two weeks in town with friends, while Mr. Gibbons is at work on the east coast in the interest of Stetson university.

KEY WEST HAS NEWS.

From the Key West Inter-Ocean.

Letters from the east coast say that every train coming south brings laborers for the work on the Key West extension.

There are now over 500 men in the camps and the number is increasing at the rate of 100 a week. Free transportation is being furnished all laborers to the camps.

Contracts for all the material needed from Key West to the mainland have been signed and rapid delivery is promised.

Tugs and barges to be used in the trestle work are now being purchased and should arrive here shortly.

No doubt the work at the Key West end will also be well under way before the end of the year. There is much to be done here. A long trestle must be built from the upper end of the island to deep water and the great docks and immense warehouses that will be needed will require the employment of hundreds of men for many months.

A TRIBUTE OF RESPECT.

Mr. B. J. Mims was born in Hamburg, S. C., Sept. 4th, 1833, and died at Mims, Fla., June 12th, 1905. Mr. Mims came from Georgia to Florida in the early seventies, when this part of the state was in comparatively wild condition.

As a pioneer Mr. Mims was intelligent, active and influential. A true friend, a good neighbor, he was strong mentally and physically. Always a highly moral and religious man.

The lands he cleared, the houses he built, the town that bears his name are some of the marks that stand as evidence of his great usefulness as a member of the community. But to his family and friends there are thousands of memories that recall the life of one who was kind and unselfish, and who desired the right above all else. To the sad hearts of his family the memory of his deeds will be sweet, though tears must come as the happier days of the past return to soften the anguish of the present.

Mr. Mims has gone to his reward. We shall always remember him and always miss him. Time and hope will minister the only balm that remains for his loved ones until they meet him in the great hereafter where there is no sorrow and no parting.
A TRUE FRIEND.
